

MULTIFUNCTION SWITCH

1. OVERVIEW

The multifunction switch includes auto washer and wiper switch, fog light switch and auto hazard warning switch besides conventional functions. For the vehicle equipped with airbags, the airbag spring clock is installed on the multifunction switch, so be careful when removing and installing the switch or checking the wiring.

Mounted View

Auto Hazard Warning Switch

- ▶ Press briefly: Flashes 3 times
- ▶ Press and hold: Flashes 10 times

Front auto washer and wiper switch

When the front wiper switch is off and this switch is pressed, washer fluid will be sprayed and the wiper will automatically operate 4 times. Then, the fluid will be sprayed again and the wiper will automatically operate 3 times.

Front fog light switch
